

Mini/Summer Camp Rules and Regulations

Shirts **MUST** be worn for all field trips, there is absolutely no exceptions. If your child does not have a t-shirt then we will provide one with a fee of \$1. This allows us to see them easier and helps with the safety of the children.

Please make sure that your child wears proper shoes, must be close-toed. **NO** sandals, flip-flops, or crocs. Water shoes may be worn for the Northside Splash Pad and water day only. Please make sure that they have appropriate shoes to wear after water play!

Water day - please provide bathing suit, towel, and watershoes. If possible, bring items for water play every monday.

Each child **MUST** be here on time for field trips. If your child misses the field trip, then they will have to wait to attend school until the field trip returns. Please let us know if your child will be absent for any reason.

No child can be picked up or taken to a field trip location for any reason. When they are on a field trip then it is our responsibility to make certain that they arrive and return safely.

We would love parent volunteers at any time, but we **MUST** have one this Thursday, June 10 and Friday, June 25th for the Children's Museum.

If you would like to have sunscreen on your child, please apply it in the mornings. You must complete an ointment slip if you would like to have us apply it in the afternoon.
