### THANK YOU

We want to offer a sincere thank you to everyone who helped and contributed to our egg hunt last month. It was a huge success and as always, we could not have done it without your generosity and participation.

### ENVIRONMENTAL RATING SCALES

We are getting ready to go through our Environmental Rating Scales Assessments. Our window is 4/23-5/18. These assessments are to determine our star ratings and they are done every three years. The assessments are used to determine quality care within our program. We are going to need your help with some aspects of this. When arriving with your child please wash his/her hands along with yours. This is a requirement and we need everyone to start practicing this. Teachers will be asking you to do so upon entering in the classroom. We thank you for your cooperation during this transition.

Child transitions as far as moving up to new classrooms will be put on pause during the scales window of 4/23-5/18. We find that this time is difficult for both the children and the teachers. Children will be moving up to their new classrooms the week after the window is complete.

### MUFFINS WITH MOM

Please put it in your calendars that May 4th is 'Muffins for Mom'. We will be having breakfast muffins with moms in honor of Mother's Day! We will begin serving muffins and juice at 8am. Please come by and have a muffin with your child. If you cannot stay please grab some to go!

### REMINDER

As the weather warms up please remember to dress your child in closed toed-closed heeled shoes. We also ask that you apply sunscreen to your child in the morning to ease our outside transitions.

If you have any questions please stop by the office and see Ms. Liz, Ms. Jamie, Ms. Hilda or Ms. Judy. Thank you.
