March 1, 2018

Dear Parents,

We are so excited to have recently celebrated our 9 year anniversary and 9 years at being 5 stars. We are also so blessed at having many teachers who have been with us for many years. We have such amazing teachers and in order to keep them we do give them yearly raises based on their evaluations. Another cost that increases each year is our rent and other bills. In order to stay a successful and quality school we must do a small price increase.

We hope that this price increase comes without too much difficulty. We have only raised the prices by a few dollars and plan to put the increase in effect on April 1, 2018. Please review the chart below to see the tuition increases per age group. Thank you all in advance for your understanding and please let us know if you have any concerns.
